

## Discover the Ambrose Education difference

Ambrose University offers a competency-based rigorous, relevant and reflective Education curriculum, preparing teachers who will serve students, their schools and their communities.

Personalized instruction from highly qualified and experienced faculty — in collegial, small classes on campus, as well as online — provides you with an outstanding opportunity to grow professionally and personally.

### Vision

Shaped by a Christian Liberal Arts tradition, we prepare outstanding educators to joyfully take up teaching and learning through a transformative mindset of hope and grace as a means of serving the common good in public education.

### Mission

We will provide a rigorous, competency-based curriculum that will engage students to become reflective, innovative and engaging teachers.

PRINCIPAL CERTIFICATION

## Earn your Leadership Certification for Alberta's new Professional Standards

Take your passion for education and embark on your personal leadership journey.

*Comprised of two noncredit courses, the Certificate program is your opportunity to get real, get informed about yourself, get going as a school leader — and get the accreditation required to become a Principal in Alberta.*

Advance your knowledge and skills to make a positive difference in the lives of students. Forge personal and professional connections that will enrich your personal and professional life. Benefit from Ambrose University's expertise in preparing passionate educators through a program intentionally designed to give you:

- the **flexibility to choose how and when** to complete the program's two courses, in the way that works best for you
- courses that can be **completed simultaneously or in sequence**
- blended **face-to-face and online** delivery methods

## Inspire. Mentor. Coach. Follow your path to leadership

### ELQS 001: Becoming a Transformative Leader

Begin to develop your personal vision of leadership through guided inquiry, case studies and journaling. Reflect and question your personal beliefs about leadership through a focus on research and best practices about transformative leadership, interwoven with personal reflection and narrative.

*The full certificate program comprises 78 hours.*

### ELQS 002: Being a Transformative Principal

Consolidate theory, your personal beliefs and contextual knowledge by focusing on instructional leadership, managing school operations, vision building and fostering effective relationships for a flourishing school culture. You will curate a personal leadership portfolio that showcases your ongoing growth as a leader.

*Each course costs \$650 (tax deductible).*

## Choose your preferred study path

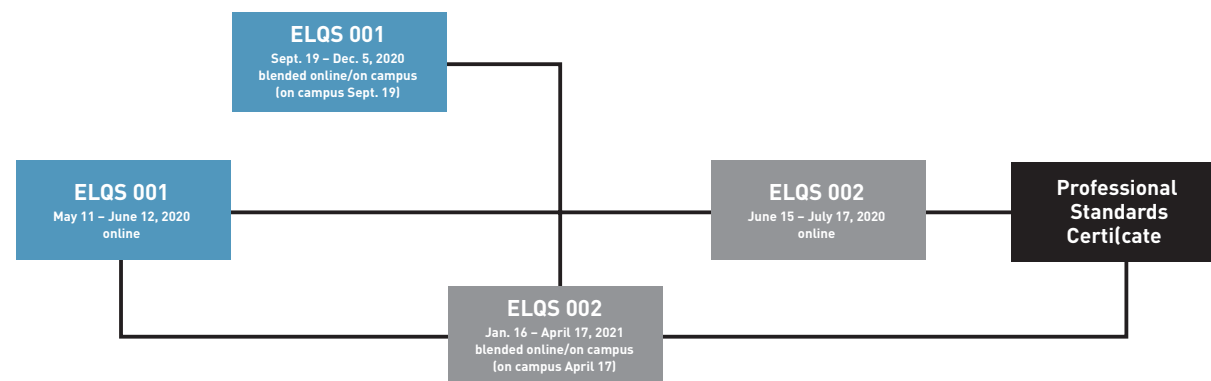

Flexible course scheduling enables you to learn how and when it's most convenient for you.

In light of the current COVID19 Outbreak, **Spring and Summer Classes are offered online** only.

**Blended courses** combine self-paced online learning with one on-campus class (the first class for ELQS 001; the last class for ELQS 002) over four months.

You can "mix and match" the delivery methods to suit your time, availability and learning preferences.

## 2020-2021 Course Schedule

*Courses will offered every year following this schedule; specific dates will be announced annually.*
